

S³: Social Security Expertise & Services

Strategic consulting available for all things Social Security related

LBMC Employment Partners has partnered with FEDlogic to offer easy and practical guidance targeted to help businesses, HR directors, professionals & employees with all things Social Security related. FEDlogic takes away the worry by providing the tools necessary to strategize and execute a plan tailored for each unique situation.

Who is FEDlogic?

FEDlogic offers strategic consulting to help you plan and maximize Social Security benefits as well as navigate the complexities of Medicare. Their goal is to inform, discuss, and strategize a plan for you and your family's unique situation. Serving beneficiaries, wealth advisors, and employers.

Frank Cardenas started FEDlogic after nearly a decade of experience working for the Social Security Administration.
